

CNN's Piers Morgan talks to Alex Jones, the radio host behind the petition to deport him, over his gun control views.

Alex Jones: "Don't take our guns"

[Start]: 0:00

[Piers Morgan]: 0:05

Anyone who's watched this show in the last few weeks knows I've taken a pretty strong stand on guns in America. It's on a scale of notice on the support of gun rights, and it's led to a petition, on the White House official website, no less. It's titled, and I quote, "Deport British citizen Piers Morgan for attacking Second Amendment." Take a look, more than 104,000 people have signed it so far, and joining me now is one of the people behind the petition, Alex Jones. He's hosted the Alex Jones Show - welcome to you.

[Alex Jones]: 0:29

Piers, thanks for having me.

[Piers Morgan]: 0:30

Why do you want to deport me?

[Alex Jones]: 0:32

Well, we did it as a way to bring attention to the fact that we have all of these foreigners and the Russian government, the official Chinese government - Mao said political power goes out of the barrel of a gun, he killed about 80,000,000 people, because he's the only guy that's got the guns. So we did it to point out that this is globalism, and the mega-banks that control the planet, bragging everything they've taken over, Bloomberg, A.P., Reuters, you name it, *brag* they're going to get our guns as well. They've taken everyone's guns but the Swiss and the American people and when they get our guns, they can have their world tyranny, while the government buys 1.6 million bullets, armoured vehicles, tanks, helicopters, predator drones armed, now U.S. guys being used to arrest people in North Dakota. The Second Amendment isn't there for duck hunting. It's there to protect us from tyrannical government and street thugs. Take the women in India. Your piece earlier on CNN, I was watching, during Anderson Cooper Show. It didn't tell that women in India have signed giant petitions to get firearms, because the police can't and won't protect them.

[Piers Morgan attempts to interrupt, but Alex Jones overrides him]: 1:39

Hang on, I have FBI crime statistics. They come out a year late, 2011, 20+% crime drop in the last nine years, real violent crime, because more guns mean less crime. Britain took the guns fifteen, sixteen years ago, tripling of your overall violent crime. True, we have a higher gun level violence, but overall mugging, stabbings, deaths.... Those men raped that woman in India to death with an iron rod four feet long. You can't ban the iron rods. The guns, the iron rods, Piers, didn't do it. The

tyrants did it. Hitler took the guns! Stalin took the guns! Mao took the guns! Fidel Castro took the guns and...

[Piers Morgan]: 2:15

How many... ?

[Alex Jones]: Hugo Chavez took the guns... and I'm here to tell you, [Alex Jones begins shouting] 1776 will commence again if you try to take our firearms! It doesn't matter how many lemmings you get out there on the street, begging for them to have their guns taken! We will not relinquish them! Do you understand? Now that's why you're going to fail, and the establishment knows that no matter how much propaganda – the republic *will* rise again when you attempt to take our guns. My family were in the Texas revolution against Santa Anna. My family was at the core, on both sides, starting that, because Santa Anna came to take guns of Gonzales, Texas. Piers, don't try what your ancestors did before. Why don't you come to America, I'll take you out shooting, you can become an American and join the republic.

[Piers Morgan]: 2:55

You finished?

[Alex Jones]: 2:57

Yes, I am finished! You will not take my right! You go through background checks to get guns. How about Prozac? Oh, that's a big sponsor, that's a whole class of drugs. [?]

[Piers Morgan]: 3:07

Let me ask you -

[Alex Jones]: 3:08

Woah, gotta cut that off, don't you? Don't wanna talk about the U.S. number one cause of death by suicide now, because they give people suicide mass murder pills!

[Piers Morgan]: 3:17

Calm down –

[Alex Jones]: 3:18

Your answers're getting more money than a psychiatrist – or psychologist, to put more crazy people on drugs, that make them kill people.

[Piers Morgan]: 3:22

Alex, let's ...let's try and have a debate here. Answer me this question –

[Alex Jones]: 3:26

I'm sick of it, the same old script here, bud!

[Piers Morgan]: 3:28

Fine, *bud*. How many gun murders were there in America last year, do you know?

[Alex Jones]: 3:32

Ah, there were about 11,458, and about 74% of those were gang-related, gangs shooting each other. You get three and a half to four thou-

[Piers Morgan]: 3:40

Okay, that wasn't the -

[Alex Jones]: 3:41

How many people died from infections in hospital?! 197,000!

[Piers Morgan]: 3:45

Let me just ask you a second -

[Alex Jones]: 3:46

Right!

[Piers Morgan]: 3:47

How many gun murders were there in Britain?

[Alex Jones]: 3:49

How many great white sharks killed -

[Piers Morgan]: 3:51

No, how many -

[Alex Jones]: 3:52

Killed people every year but they're scared to swim?

[Piers Morgan]: 3:54

Right. How many gun murders were there in Britain?

[Alex Jones]: 3:56

A very low amount, I already went over those statistics -

[Piers Morgan]: 3:58

You don't know?

[Alex Jones]: 3:59

It was only a few hundred.

[Piers Morgan]: 4:00

No, how many gun murders?

[Alex Jones]: 4:01

I actually got the statistics right here, let me pull them out. I figured that you'd do that.

[Piers Morgan]: 4:05

Gun murders –

[Alex Jones]: 4:06

Oh wait! U.K. crime capital of Europe! *London Telegraph*.

[Piers Morgan]: 4:10

It's such a simple question.

[Alex Jones]: 4:11

Well, that's the oldest –

[Piers Morgan]: 4:12

You're a very loud man – you make a lot of noise.

[Alex Jones]: 4:13

That's the oldest tactic, to ask me some little factoid.

[Piers Morgan]: 4:16

It's not a little factoid.

[Alex Jones, talking over the top of Piers Morgan]: 4:18

I already said earlier, England has a lot lower gun crime rate, because you took all the guns.

[Piers Morgan]: 4:23

That's exactly my point –

[Alex Jones]: 4:25

Because you've got hordes of people burning down cities, and beating old women's brains out every day.

[Piers Morgan]: 4:28

What a ridiculous –

[Alex Jones]: 4:29

They arrest people in England if they defend themselves, that's on record. My God! You've got a total police state, everyone's fleeing that country, because – you've had to flee here, bud! Why don't you tell folks – yeah, you fled here!

[Piers Morgan]: 4:41

Hmm. [Slight nod of the head, mimicking mock agreement.]

[Alex Jones]: 4:42

Why don't you go back and face the charges of the hacking scandal?

[Piers Morgan]: 4:45

Answer this question. How many –

[Alex Jones]: 4:48

Why'd you get fired from the *Daily Mirror* for putting out fake stories?

[Piers Morgan]: 4:50

How many –

[Alex Jones]: 4:51

You're a hatchet-man of the New World Order.

[Piers Morgan]: 4:53

Okay.

[Alex Jones]: 4:54

You're a hatchet-man! And I want to say this right here. You think you're a tough guy? Well, help me back in the boxing ring here, and I'll wear red, white and blue and you can wear your Jolly Roger, you can –

[Piers Morgan]: 5:04

Let's try again. How many gun murders were there –

[Alex Jones]: 5:08

Oh, you're going to ban your fist now –

[Piers Morgan]: 5:09

...in Britain last year?

[Alex Jones]: 5:10

How many, ah, chimpanzees can dance on the head of a pin? I already went over those statistics –

[Piers Morgan]: 5:14

Do you know the answer?

[Alex Jones]: 5:15

Ah, no I don't.

[Piers Morgan]: 5:16

You said hundreds.

[Alex Jones]: 5:17

It's very low.

[Piers Morgan]: 5:18

You say hundreds, it's actually 35.

[Alex Jones]: 5:21

Well, the point is, you can take –

[Piers Morgan]: 5:23

Eleven thousand. Do you understand the difference between 11,000 and 35?

[Alex Jones]: 5:28

Yeah, England's got knives now, because tens of thousands are getting stabbed.

[Piers Morgan, talking over the top of Alex Jones]: 5:31

Do you understand the difference...

[Alex Jones]: 5:34

Knives doesn't kill people. The gun doesn't kill people. Do you understand, you're not going to pull on America's heartstrings, they know your script...OK... you're not going to get our guns. By the way, you guys always said, we just want to take the semi-autos. Okay, and all this other stuff, but semi-autos aren't even, rifles aren't even used in a fraction of the crimes. You can pull those numbers up, okay? No, no, no, hold on!

[Piers Morgan]: 5:56

Let me ask you one question. Which weapon was predominately used in the Aurora movie theatre shooting?

[Alex Jones]: 6:00

M4-AR15 variant.

[Piers Morgan]: 6:03

So it's a semi-automatic pistol rifle?

[Alex Jones]: 6:05

Yes, again, but statistically, it's very low.

[Piers Morgan]: 6:09

That was a – Do you agree that was the single biggest shooting in the history of America, in terms of people hit by a shooter? Do you know that?

[Alex Jones]: 6:18

No, I believe there others that – were over 30.

[Piers Morgan]: 6:20

No, this was the single biggest mass shooting –

[Alex Jones]: 6:24

Well, listen, you're just going – there have been bombings on Wall Street.

[Piers Morgan]: 6:27

Let me ask you a second question.

[Alex Jones]: 6:28

Listen, why can't I ask you – why can't the pilots have firearms, we trust them to fly the planes.

[Piers Morgan]: 6:32

You've had a lot to say.

[Alex Jones]: 6:34

My point is the Second Amendment is sacrosanct...and you're not getting it.

[Piers Morgan]: 6:37

Do you know which weapon was used in the Oregon shopping mall incident, recently?

[Alex Jones]: 6:43

I understand that people who are mentally ill –

[Piers Morgan attempts to interrupt, fails]

Who play them shoot-'em-up games –

[Piers Morgan]: 6:50

Alex –

[Alex Jones]: 6:51

Because there's criminals, I don't lose my rights here?

[Piers Morgan]: 6:53

Alex, Alex.

[Alex Jones]: 6:54

Because there's criminals, I don't lose my rights!

[Piers Morgan]: 6:56

Just answer the question. Do you know what the weapon used was?

[Alex Jones]: 6:59

Listen, let me ask you a question.

[Piers Morgan]: 7:00

No, no. Answer –

[Alex Jones]: 7:01

I got the FBI statistics – listen – that the so-called semi-autos that you talk about –

[Piers Morgan]: 7:06

Let's take a break, when you come back, *try* and answer my questions.

[Alex Jones]: 7:11

Yeah, all you're going to do is sit there and play little factoid questions, overall crime's gone up 20%!

[End]: 7:17
